

Digital Billboard #1 EB - 40344 Bus. Hwy. 290 Waller, Texas 77484

Waller Outdoor uses top-of-the-line Daktronics LED digital billboards for crisp, perfect clarity and true color technology. Daktronics is the US leader in LED billboard technology and we have two new LED billboards ready for your message. No foreign digitals for our boards so you can expect less downtime.

-This 10'x20' digital billboard is viewable when traveling Eastbound on Bus. Hwy. 290 in downtown Waller, and is located just 1 ½ blocks East of the stop light at the Wells Fargo Bank. This billboard is designed to capture the attention of all commuters traveling through Waller's 35 mph business district, which includes City Hall, the Waller Police Department and Municipal Courts, Waller Jr. High and Waller Elementary Schools, the Waller Library, the local newspaper office, banks and credit unions, restaurants, medical doctor offices and clinics, day care centers, and various churches and other civic organizations. This thoroughfare delivers traffic into Waller from Hempstead, Pine Island and Prairie View via Bus. Hwy. 290 and FM 362.
